**Munster, IN February 7,2016 –**

Dr. Nitin Khanna, Dr. Sunil Dedhia, Dr. Dwight Tyndall and Dr. Daniel Woods have all been awarded Patient Choice Awards and Compassionate Doctor Awards. Patient Choice recognition reflects the difference a particular physician has made in the lives of his/her patients. The honor is bestowed upon physicians with near perfect scores as voted on by patients. Compassionate doctor certification is granted to physicians who treat their patients with the utmost kindness. The honor is based upon a physicians bedside manner scores. Orthopedic Specialists represents some of the most prestigious programs in the country such as Harvard, Northwestern, University of Chicago, Jefferson, Duke University, Washington University, University of Pennsylvania, Stanford, Hospital for Special Surgery and RUSH. "It is an honor to have our faculty continually recognized for clinical excellence. Our faculty has worked hard nationally and internationally to advance minimally invasive surgery. Improving the clinical results and decreasing the morbidity historically associated with bone and joint surgery is our mission statement. We have made a lot of progress over the last 10 years and continue to strive for improved outcomes." said Nitin Khanna MD, FAAOS, from Orthopedic Specialists of Northwest Indiana.
