Nitin Khanna MD serves as Faculty for Minimally Invasive Spine Meeting - SOLAS 2016 in NYC

New York City, NY December 10, 2016 –

Dr. Nitin Khanna served as faculty with other renowned international leaders in minimally invasive spine surgery in New York City. The other faculty speakers represented some of the most prestigious programs in the country such as Harvard, Hospital for Special Surgery and RUSH. “It is an honor to serve as faculty and teach alongside other experts in the field of minimally invasive spine surgery. Our faculty has worked hard nationally and internationally to advance minimally invasive spine surgery. Improving the clinical results and decreasing the morbidity historically associated with spine surgery is our mission statement. We have made a lot of progress over the last 10 years and continue to strive for improved outcomes.” said Nitin Khanna MD, FAAOS, from Orthopedic Specialists of Northwest Indiana.
